

Tuition Schedule for ISD

Vision:

At ISD we believe that every child should have access to a high-quality educational system. Therefore, as long as we have a seat to fill and sufficient resources to hire teachers and run all the things that go into a school, we look for ways to make our school as accessible as possible to the Djiboutian and global community. So, please contact our staff and discuss the possibility of your children enrolling today.

1. No tuition will be reimbursed after the beginning of each term.
2. Optional monthly payment plans are to be negotiated with the director of the school.
3. Failure to pay tuition may result in expulsion of the student in question.
4. Invoices that are unpaid by the due date will be assessed a late fee of 5%.
5. Guaranteed enrollment for subsequent academic years requires a 50,000 DJF (\$282) deposit. This is deducted from first term tuition.
6. Parents with multiple children receive a 10% discount for the tuition of each additional child.
7. Tuition waivers are considered on a case by case basis by the finance commission of the board of directors. To receive a waiver or reduction for one year does not guarantee a tuition waver for subsequent years. Application for a waiver/reduction requires a written letter addressed to the tuition committee explaining your need and reasons for requesting a waiver. Please detail the amount (if any) you're able to pay in the letter. Submit your request to the school director to transmit to the committee.
8. Diplomatic, governmental, and for-profit organizations that pay for staff to enroll their children at ISD will be assessed an additional fee of \$10,000 for guaranteed enrollment.
9. Djiboutian passport holders will be given a tuition reduction of up to 20%.
